November 2-4, 2017

The Fairmont – Dallas

ANAC
Association of
Nurses in AIDS Care

Conference Objectives

- Analyze strategies to sustain and advocate for ongoing advances in HIV/AIDS care given shifts in the domestic political, economic and social climate.
- Discuss innovative biomedical, psychosocial and behavioral research in HIV and associated co-morbidities.
- Evaluate the global impact of nurses' role in addressing HIV health disparities, HIV risk and social determinants of health.
- Demonstrate an enhanced ability to care for key populations living with, or affected by HIV and related co-morbidities.
- Improve nurses and other professionals' capacity to identify, treat and care for individuals at risk for and/or living with viral hepatitis.
