Aging well with HIV

Allison R. Webel, RN, PhD, FAAN
Associate Professor, Frances Payne Bolton School of Nursing
Case Western Reserve University

Dr. Webel is an associate professor of Nursing at Case Western Reserve University in Cleveland, Ohio. Dr. Webel’s extensive portfolio of interdisciplinary clinical and translational research is focused on healthy aging in adults living with HIV. She has authored over 100 publications in the field of HIV self-management, HIV symptom management, global health, and behavior change. She is lead author on Living a Healthy Life with HIV, which in 2016, was named book of the year by the American Journal of Nursing. Her work has been funded by the National Institute for Nursing Research, National Heart Lung and Blood Institute, American Heart Association, and Gilead Sciences, among others. She also serves as the co-chair of the International HIV/AIDS Nursing Research Network and an associate editor at the Journal of the Association of Nurses in AIDS Care. In addition to her scientific output, Dr. Webel has translated her research findings into widely-read, highly engaging lay articles which have been republished in top newspapers around the globe. When she is not working, Dr. Webel enjoys traveling with her family and running, biking, and playing tennis.
