Advertising opportunities

The ANAC conference program will be distributed to all conference attendees, speakers and exhibitors. The conference program will contain information about conference exhibitors, oral and poster presentations, social events, symposia, sponsors and other information. It serves as the resource for all information about the conference and is used as a tool throughout the year by our attendees. To advertise your product or service, return your completed advertising contract to ANAC by Oct. 1, 2022.

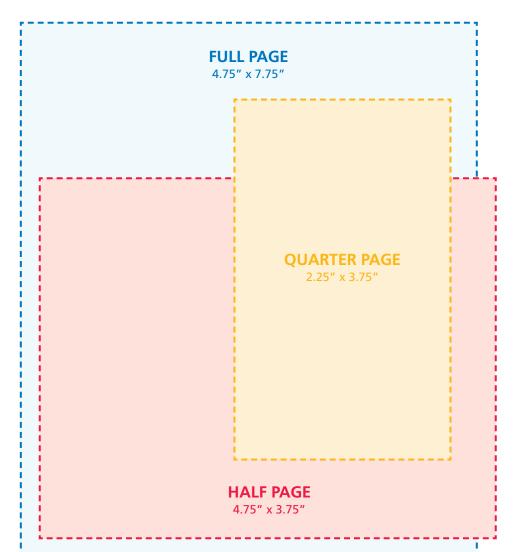

All ads should be sent in a PDF or JPEG format to erin@anacnet.org. Advertising specs are shown at right. All materials must be turned in to ANAC by Oct. 1, 2022 for inclusion in the conference program.

Why buy an ad?

Placing an ad in the conference program is a great way to get your company's name or products in front of the top HIV/AIDS care providers, researchers and educators in the country. A program ad will keep your name top-of-mind for attendees and lasts beyond the weekend, as attendees use their programs to take notes throughout the conference.

ARTWORK

Print-ready advertisements should be submitted as a high res (300 dpi/ppi) PDF or JPG file. We request that ads be built using these specific dimensions. Ads that are submitted outside of these perimeters will be modified to fit their determined size.

All ads will appear in the program in black and white unless the ad space has been purchased as full color. Black and white ads may be accepted in full color, however they will be converted to grayscale for one-color printing.

If you are unable to provide a print-ready advertisement, design services are available upon request. Please provide the information you would like to include (including any high res logos, photos, etc.) at the requested time.
